THIS MESSAGE REGARDS THE MEETING ONLY
I NEED EVERYONE TO RESPOND ABOUT ATTENDING THE MEETING

LEAGUE ROSTERS

Teams with multiple Question marks (???) have not submtted eam names.

All the rosters are now full and completed. Teams 8 and 39 have had bowlers added to fill out.

Any new additions will be added as substitutes (dedicated or pooled).

Members with 185 averages do not have verified averages. Using vacant scores for posting purposes.

LEAGUE RULES MEETING ** 7pm ** Food served 6:30**

Finger food buffet - not dinner

All invited ** A Vote on all league rules.

Multiple changes have been presented ** All encouraged to participate ** Vote will be held

All members must sign in. Separate sheet for each team representative.

Voting cards for team reps only.

We will draw cards for new team numbers at the end. (DIVISION PLACEMENT)

NEW RULE PROPOSALS**Oil patterns**

Last season I instituted the use of different oil patterns on a scheduled basis. They were 3 house patterns rotated during the year. Some members bowled better on one and others bowled better on another. We have no existing rule on the use or schedule of this process. It was suggested that we use only one pattern or allow the rotation schedule to be for a longer period of time. We rotated the 3 patterns every 5 weeks using each twice for 10 weeks total. I have requested 6 different random house patterns this season. We can discuss how many we could use and how to schedule them. My thoughts on this is a majority of our members don't care what pattern is used because we never asked for any consistent requirement from the house before. I would only hear that the pattern should be changed. We have the option to control the use of patterns. Guidelines will be set at the meeting.

SOME FORM OF SCHEDULING WILL BE INSTITUTED**Vacant scores**

Last year we had issues about absent bowlers the first few weeks. They don't become members until they throw the first ball in the first frame. We always used vacant scores, but it was done verbally, it wasn't declared in our rules. USBC rules state wiithout a rule, we must use an sbsent score. But they are not absent since they still haven't confirmed their membership in the league and members without an established averages could not be applied. A rule will be established.

Sustitutes :

Each team is entitled to have substitutes. They are dedicated to their team only. In order to bowl with another team, they must have "Board approval". A stardard will be adopted as to thier elegibility for the position rounds and playoffs.

We have a pool of OPEN substitutes which are on loan to any team for one week only. They are sanctoned and are assigned randomly any time they are requested. Captains must place a request before bowling any Tuesday. Advance notice must be submitted. Captains cannot arrange a member to be added without a timely request. Their names must be PRINTED ON THE RECAP SHEET. They are only eligible based on their weekly availability.

A new proposal will require a \$10 fee from the Temporary Sub to be put in the envelope. \$7 to the absent bowler's account and \$3 to the league emergency fund. (fines, unearned prize money, unspent prize list allocations). This is not required from Dedicated subs. Also the money towards the missing bowler is incentive to request the subs. They can participate in the pots. The emergency fund is used to cover unexpected expences or is distributed to each team at the end of the year. It paid for our entries in the Coor's light tournament (100% Participation).

SUB RESTRICTIONS to be voted on (proposal): 1st third = 6 games. 2nd third= 12 games, 3rd third & playoffs = 18 games.

LEAGUE NEWS May 25, 2024 from the president

LEAGUE CONTACT NUMBERS ARE: EMAIL: WTNM2019@GMAIL.COM PHONE: 773-412-2944

30 WEEKLY TEAM & INDIVIDUAL POINT SYSTEM

Each individual member will be responsible for a point for each game & a point for series. 4 per bowler (16 pts). {1vs1 - 2vs2 etc} During the summer ball league we used the system officially. Most of the teams adapted & used it.

It gives members recognition of a good game and to earn points for the team. Even if your team loses all 3 games, you have a chance to salvage your team's effort. On average a team can earn at least approx. 20% of the points each night, instead of 0 pts.

80 to 85 % of our handicap individual scores are between 190 and 210 each game. After a few weeks, each team will develop a feel on how best to match up.

Team points will be doubled. This keeps the team concept weighted properly. 4 for each game and 2 for series. {14 pts} (14 team pts & 16 indiv points = 30 total) That would mean a team win would guarantee a 5-3 point total. Winning all 3 games insures 18- 12 point total.

There also would be a prize list award for the top individuals based on points won for the year or each segment. This would come from the savings and fines collected during the year. (this is historically a large amount of money)

League Structure

The best way to set our league schedule and prize list is to have 4 - 10 team divisions. We would use the same format as last year - 10 week thirds with the same qualifying criteria. This will cause us to add an extra week of playoffs. Last season we had 2 divisions with thirds which created 8 playoff teams from the 32 team league. This format will create 4 teams from each division making the playoffs totalling 16 teams of the forty teams. **TEAMS WILL BE RANDOMLY ASSIGNED TO THE DIVISIONS.** Schedule will be set so you bowl within your division exclusively for 7 of the 10 weeks of each segment. Position rounds week 3, 5, & 7 will be interdivision. No sub restrictions except weeks 10, 20, & 30. Restrictions apply for all 4 playoff weeks. This will balance the league schedule to insure each team faces their division opponents twice during regularly scheduled play and 1 week each third against all 3 other divisions

Another prize could be for most improved bowler. (starting with the 12 game average)
